2005 至 2006 年度應課差餉租值通知

現正式通知上址物業單位經全面重估的應課差餉租值。2005 至 2006 年度的差餉及 / 或地租將會根據此新應課差餉租值計算，由2005年4月1日起生效。因為上址物業單位已包括在上述的綜合帳目內，本署不會向你發出個別徵收差餉及 / 或地租通知書，現列出每季應繳款額，以供參考。

如你不滿意評定的應課差餉租值，你必須於 2005年5月31日或之前，用指定表格（表格 R20A）提交建議書，建議修改應課差餉租值。本署署長無權接納遲交的建議書。

如物業用以計算差餉及地租的應課差餉租值相同，則你只須提交修改估價冊建議書。計算差餉的應課租值如因建議書而獲修改，則同時適用於差餉及地租。然而，若用以計算差餉及地租的應課差餉租值並不相同，則須分別就估價冊及地租登記冊提交建議書。

如想知道更多關於應課差餉租值及地租的資料，請參閱夾附的說明單張。

差餉物業估價署署長彭贊榮
2005 年4月1日

備註

由於零額調整的關係，每季的實際徵收款額可能與本通知的每季應繳款額有所不同。

Notification of 2005 - 2006 Rateable Value

This is to notify you the rateable value of the above tenement as a result of the General Revaluation. The rates and/or Government rent for 2005 - 2006 will be based on the new rateable value which will take effect from 1 April 2005. The quarterly payable amount shown above is for your information as you will not receive individual rates and/or Government rent demand notes for this assessment whilst it is included in the consolidated account.

If you are not satisfied with the assessment, you must lodge a proposal in the specified form (Form R20A) to alter the rateable value not later than 31 May 2005. The Commissioner does not have the discretion to accept late proposals.

If the rateable value is the same for rates and Government rent, the proposal must be made in respect to the Valuation List. Any alteration in the rateable value will apply to the calculation of both rates and Government rent. However, if the rateable value for rates and Government rent is different, a separate proposal must be made in respect to both the Valuation List and the Government Rent Roll.

If you wish to know more about rateable values and Government rent, please refer to the explanatory leaflet attached.

Kenneth T. W. PANG
Commissioner of Rating and Valuation
1 April 2005

Note

The quarterly amount actually demanded may be different from the quarterly payable amount shown in this notification due to the adjustment of odd cents in each quarter.
